GECPS

- **What is [GECPS](#)?**

GECPS is a standardized and secure method to report GA Reportable Violation Codes to DDS according to HB1253.

- **[GECPS Online Account](#)**

The online account allows GECPS users to update contact information, review outstanding errors and access documents uploaded by DDS.

ERROR HIGHLIGHTS

2751: Invalid disposition date

Description: Invalid disposition date error can be received if date is less than violation date or greater than process date.

The following are examples that may cause this error code:

- **Example 1:** The customer's violation date is 9/18/2015 and the disposition date is sent in as 9/1/2015.
- **Example 2:** The court submits FTA release on 1/6/2015 and the disposition date is 1/21/2015
- **Example 3:** Disposition date field is blank
- **Resolution:** Verify disposition date is not greater than process date and less than violation date
