

## Georgia Electronic Conviction Processing System (GECPS)

# COURT BULLETIN

This bulletin will be updated by the Georgia Department of Driver Services (DDS). Our goal is to strengthen the communication between our business partners by disseminating legislative updates and other valuable information in a timely manner.

## LEGISLATIVE UPDATES

[2016 Legislation](#)

[2015 Legislation](#)

[2014 Legislation](#)

## GECPS

- **What is [GECPS](#)?**

GECPS is a standardized and secure method to report GA Reportable Violation Codes to DDS according to HB1253.

- **[GECPS Online Account](#)**

The online account allows GECPS users to update contact information, review outstanding errors and access documents uploaded by DDS.

## ERROR HIGHLIGHTS

**2771:** Speed Limit Not Allowed.

**Solution:** Only provide speed limits for speeding convictions.

**Example 1:** Court submits a conviction for 40-6-42 (Improper Passing) with a speed limit indicator of 70/40, the court will receive error code 2771. Speed limits are only allowed on speeding convictions.

**Example 2:** Court submits a conviction for 40-6-391A1 (Driving Under The Influence/Alcohol Less Safe) with a speed limit indicator of 85/70, the court will receive error code 2771. Speed limits are only allowed on speeding convictions.
