You can expect your new License/ID to arrive in the mail within two weeks.

A certified Driving History (MVR) is an official record — stamped and signed by a DDS representative. Most employers, schools, insurance companies, etc. require a certified MVR.
- **May I register to vote if I renew online?**

No. You should change your address with DDS when you change your address with the U.S. Postal Service. Changing your address ahead of your move will result in returned mail to DDS, and you will not be allowed to perform any Online transactions until you have a deliverable mailing address.
