Georgia Applicant Processing System (GAPS)

All persons applying with the Georgia Department of Driver Services (DDS) to become certified in any of the following regulated program areas must utilize the Georgia Applicant Processing System (GAPS) to satisfy the statutorily required national and state fingerprint-based criminal history check. *Fingerprint results obtained from any source other than the approved GAPS process will not be accepted.*

GAPS consists of numerous locations throughout the State of Georgia that have been authorized by the NCIC, the GCIC and Cogent Systems to use LiveScan devices to electronically capture and transmit fingerprints to the GCIC through a secure web-based environment. Criminal history search results, in most cases, will return within 24 to 48 hours following submission of fingerprints, decreasing the overall amount of time it takes for DDS to process your application for certification.

Additional information regarding GAPS processes, policies, fees, and print locations may be found at *www.ga.cogentid.com*.

IMPORTANT: By the time you submit your application you should already have your fingerprints done through GAPS. You will not receive notification from DDS to proceed with your fingerprinting.

FINGERPRINT INSTRUCTIONS

Step 1: Select the GAPS location of your choice.

- Go to the following website: http://www.ga.cogentid.com/index.htm
- Under the "Print Site Locations" section, click on the "Print Site & Locations" option.
- All authorized GAPS locations are depicted on an interactive map of Georgia. You may mouse over and click on any of the locations depicted on the map to obtain more detailed information about individual GAPS sites, including the name of the participating business, address, and telephone number.
