Georgia Applicant Processing System (GAPS)

All persons applying with the Georgia Department of Driver Services (DDS) to become certified in any of the following regulated program areas must utilize the Georgia Applicant Processing System (GAPS) to satisfy the statutorily required fingerprint-based criminal history check. *Fingerprint results obtained from any source other than the approved GAPS process will not be accepted.*

GAPS consists of numerous locations throughout the State of Georgia that have been authorized by the GCIC and Cogent Systems to use LiveScan devices to electronically capture and transmit fingerprints to the GCIC through a secure web-based environment. Criminal history search results, in most cases, will return within 24 to 48 hours following submission of fingerprints, decreasing the overall amount of time it takes for DDS to process your application for certification.

Additional information regarding GAPS processes, policies, fees, and print locations may be found at www.ga.cogentid.com.

IMPORTANT: On or around the date you submit your application please go ahead and have your fingerprints done through GAPS. You will not receive notification from DDS to proceed with your fingerprinting.
