## Georgia Applicant Processing System (GAPS)

All persons applying with the Georgia Department of Driver Services (DDS) to become certified in any of the following regulated program areas must utilize the Georgia Applicant Processing Services (GAPS) to satisfy the statutorily required fingerprint-based criminal history check. *Fingerprint results obtained from any source other than the approved GAPS process will not be accepted.*

GAPS consists of numerous locations throughout the State of Georgia that have been authorized by the GCIC and Cogent Systems to use LiveScan devices to electronically capture and transmit fingerprints to the GCIC through a secure web-based environment. Criminal history search results, in most cases, will return within 24 to 48 hours following submission of fingerprints, decreasing the overall amount of time it takes for DDS to process your application for certification.

Additional information regarding GAPS processes, policies, fees, and print locations may be found at [www.ga.cogentid.com](http://www.ga.cogentid.com).

**IMPORTANT:** The fingerprint results are only available to DDS for a short period of time. Therefore, it is imperative that DDS applications are submitted prior to being fingerprinted. If you are fingerprinted before submitting your DDS application you run the risk of the DDS not being able to access your results. In this case, you will have to go through the GAPS process again and pay an additional \$52.90.

### FINGERPRINT INSTRUCTIONS

#### **Step 1: Select the GAPS location of your choice.**

- Go to the following website: <http://www.ga.cogentid.com/index.htm>
- Under “Print Site Locations” section, click on the “Print Site & Locations” option.

In addition, you will not be able to print a replacement receipt. Therefore, you are strongly encouraged to use your Social Security Number.
- Under Transaction Information, be sure to choose the correct reason for being fingerprinted. DDS programs are grouped together with the prefix “DDS”. Based on the certification you are seeking, use the following reason codes:
